WELCOME TO THE 2022

TASTE OF TIPPECANOE

EVENT GUIDE

PRESENTED WITH GENEROUS SUPPORT FROM

City of LAFAYETTE IND.

THANK YOU
FOR SUPPORTING THE ARTS!

Your attendance at the TASTE of Tippecanoe directly benefits the arts north central Indiana. This annual festival is the major fundraising event planned by The Arts Federation (TAF) .

Proceeds from this event support TAF's educational opportunities like the After School Arts Program, which offers free arts classes to kids in the Greater Lafayette Area.

TAF's work impacts many communities in its 14-county service area through outreach programs like its Mural Arts Initiative which has created nationally-recognized projects like the Wabash Walls street art project.

You can learn more about TAF's work at **theartsfederation.org**
